station, and history, communication and video remaining the same.

Frequently asked questions

See our [FAQs for MRCPCH Clinical face-to-face for some patients](#) (on a separate web page). If you have questions that are not covered in the FAQs, please email [clinicalexams@rcpch.ac.uk](#).

Number of attempts

Since July 2014, each UK candidate has been allowed up to six attempts at each part of the MRCPCH. As of 1 September 2024, this has been extended to cover all candidates, both candidates outside of the paediatric training programme in the UK as well as candidates based internationally, making an attempt at an MRCPCH examination. See [update for more information](#).

Webinars and online resources

- [Development MOCK station video](#) - recorded in MS Teams in April 2021 to show what the Development station is like with a scenario rather than a patient
- [Get ready for exams](#) - listing resources from around the College to help you prepare for your exam
